#### **A. Overview of Information Collection**

Title of Information Collection: Strong Cities Strong Communities National Resource Network.

OMB Approval Number: 2528-0289.

Type of Request: This is a revision to the existing information collection for the SC2 Network.

Form Number: N/A.

Description of the need for the information and proposed use: The Strong Cities Strong Communities National Resource Network (SC2 Network) provides comprehensive technical assistance to cities with populations of 40,000 or more that are experiencing long-term economic challenges as evidenced by population decline, high unemployment rates, high poverty, and low education attainment. The SC2 Network is seeking to evaluate its program through a combination of site visits, surveys, interviews, and quantitative and qualitative data collection. In addition, the SC2 Network will solicit information from cities to provide direct technical assistance. Such information includes information related to population; employment rates;

poverty; education attainment; fiscal and economic distress; priorities, goals, and initiatives of local government; regional partnerships or efforts; types of direct assistance that could improve a city's economic outcome; support from political and community leadership; city budgets; and comprehensive annual financial reports.

Respondents: Respondents are from local governments, as well as from anchor institutions, and public and private organizations that work with local governments.

Estimated Number of Respondents: The estimated number of respondents to complete surveys, interviews, and/or provide data collection is estimated to be 120 respondents. The estimated number of respondents to provide information to the SC2 Network to solicit for direct technical assistance is estimated to be 500.

Estimated Number of Responses: The estimated number of responses for surveys, interviews, and/or data collection is estimated to be 240. The estimated number of responses for direct technical assistance is 1000.

Frequency of Response: The frequency of response for both survey, interview, and/or data collection, and direct technical assistance is twice per solicitation.

Average Hours per Response: The average hour per response for surveys, interview, and/or data collection is 1.5 hours. The average hour per response for direct technical assistance is 1 hour.

Total Estimated Burdens: The total estimated burden for surveys, interview, and/or data collection is 360 hours. The total estimated burden hours for direct technical assistance is 1000 hours.

## **B. Solicitation of Public Comment**

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

- (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) The accuracy of the agency's estimate of the burden of the proposed collection of information;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

**C. Authority:** 12 U.S.C. 1701z-1 Research and Demonstrations.
